

BRUISER HALO SERIES

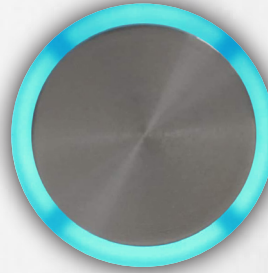

Heavy-duty Illuminated Halo Push Buttons

The Bruiser Halo Series of push buttons are designed and built for the most demanding applications that require extra tough, reliable, long-lasting performance. Based on our proven durable Bruiser Series positive stop design, this new series takes the Bruiser to the next level by offering 7 brightly illuminated halo options. So, if your next project requires a push button that is tough and robust enough to meet the most demanding specifications while adding a bright splash of color, the Bruiser Halo Series is the obvious choice.
